

DEER AND MORE DEER!

M&TM17 - This truly is a very "dear" cabin and you can almost always find a nice buck and his friends wandering around outside this lovely 2 bedroom cabin. The 1.11 acres is heavily wooded and has nice views of the Sangre de Cristo Mountains from the sitting area in the woods. A cozy gas stove makes the great room and house very inviting. A nice 2 car garage is located near the home for storing your mountain toys and vehicles. Nicely landscaped and the covered front deck is a great place to enjoy the mountain air. Listed at \$210,000.
